PEX-OPMY01	Full Day Miri City Tour (L) (8 Hours) <i>Tour starts : 0830hrs</i> You will be picked up from your hotel in the morning and start off with an orientation and city tour of Miri with a drive to Canada Hill overlooking the city. You will be briefed on the historical development of Miri City, developed rapidly from a small village in the 1800s to a very cosmopolitan and modern city. This has been largely due to the influence of oil discovery when Malaysia's first oil was spudded in 1910. This oil well now known as The Grand Old Lady sits as a relic on Canada Hill. Proceed to Kuala Baram to explore Miri Crocodile Farm and also the Asean Bridge which links Miri and Brunei. On your way back to the City, stop at the biggest Taoist Temple in S.E Asia. Miri has also built numerous recreational parks for its population with Miri City Fan being one of the most frequented. Stop at Miri Heritage Centre for handicrafts shopping. We will have lunch at a local restaurant before we proceed to Tamu Muhibbah, a local market selling jungle produce and products. Return to your hotel. Include : English speaking guide, transfers, entry fees & local lunch.				
PEX-OPMY02	Half Day Miri City Tour (3.5 hours) <i>Tour starts : 0830hrs & 1400hrs.</i> Our orientation and city tour will start with a drive to Canada Hill overlooking the city. You will be briefed on the historical development of Miri City, developed rapidly from a small village in the 1800s to a very cosmopolitan and modern city. This has been largely due to the influence of oil discovery when Malaysia's first oil was spud in 1910. This oil well now known as The Grand Old Lady sits as a relic on Canada Hill and continue on to visit the bustling Farmer's Market or commonly called the „Tamu“ where you will see the various local vegetables, fruits and foods bought in by the natives and local farmers from around Miri. Other highlights include Miri Heritage, Old China Town. Include : English speaking guide and transfers.				
PEX-OPMY03	Full Day Niah Cave (L) (8 hrs) <i>Tour starts : 0830hrs.</i> You will be picked up from the hotel or airport and start the scenic drive to Niah National Park. Drive time will take approximately 2 hrs Include : English speaking guide, transfers, park fees & local lunch.				
PEX-OPMY04	Full Day Niah / Lambir National Park (L) (8 hrs) <i>Tour starts : 0830hrs.</i> You will be picked up from the hotel or airport and start the scenic drive to Niah National Park. Drive time will take approximately 2 hrs going through oil palm plantation and Iban longhouses. On arrival at the Park Headquarters, we will register and then cross the Niah River. We will visit the Niah Museum which houses some of the relics from Niah Caves. (The museum is closed every Monday). Later we will take the 3km plankwalk to the cave's entrance. The walk goes through mixed dipterocarp forest. Niah Cave is an important archeological site where the first human existence in S.E Asia was found dated 40,000 B.C. It is also where edible bird nest are collected. We will explore the Trader's Cave, Great Cave and eventually to the Painted Cave where caves painting are found on the wall. Return to the Park HQ for lunch and drive back to Miri. On the way, we will stop at the Lambir National Park for a refreshing 20 minutes trek to the waterfalls and continue our drive to Miri. (L) Include : English speaking guide, transfers, park fees and local lunch.				
PEX-OPMY05	Half Day Iban Longhouse Tour (5 hours) <i>Tour starts : 0830hrs.</i> From Miri we leave in the morning or afternoon for a scenic countryside drive to an Iban longhouse through oil palm plantations and pepper farms. On arrival at the longhouse, we will explore the longhouse and the surrounding area. Sample the "tuak" rice wine before we return to Miri. Include : English speaking guide, transfers and head tax.				
PEX-OPMY06	Full Day Similajau National Park (L) (8 hrs) <i>Tour starts : 0830hrs.</i> We depart in the morning to Similajau National Park from Miri. The drive will take us through Niah to Bintulu. Similajau National Park is	-		-	-
PEX-OPMY07	Half Day Lambir Hills National Park (4 hrs) <i>Tour starts : 0830hrs.</i> Legend has it that 7 fairy Princesses once resided around the Latak Waterfalls of Lambir Hills National Park and these spirits enticed men to bathe in the pools. To Reach Lambir Hills National Park, it takes approximately 45 mins drive from Miri City. Upon arrival, register before proceeding with an easy trek through the forest floor. The highlight of this tour will definitely be the Latak Waterfall, the forest and insect species as we wander along the trail. Include : English speaking guide, transfers and park fees.				
PEX-OPMY08	Sibuti Fireflies Day Trip (D) <i>Tour starts : TBA</i> Meet on arrival in Miri and drive to Kampung Sibuti. Check-in at homestay for dinner. In the evening, we will take a river cruise in search of wildlife like crocodiles and fireflies sightings. Return to Miri. (D) Include : English speaking guide, transportations and dinner.	-		-	-
