Below are the option of activities for your choice:

- **Elephant Safari Park Journey**

A visit to the Elephant Safari Park is a must for any visitor to Bali. Get up close and personal with these incredible animals in a beautiful tropical park setting. Elephants can be seen immersing themselves in the park lake, in between riding, painting or other activities. Hand feed them, touch them, take photos with them, then learn more about the elephants ancestry and diversity at the Park's historical and graphic displays. Lunch included. **OR**

- **Bali Safari & Marine Park Journey**

Bali Safari and Marine Park has a vast collection of animals from Indonesia, India and Africa living in large beautifully landscaped habitats. This allows park guests to observe the animal's natural habits in wide open spaces that have been created for them, such as grazing grass or cooling off in large ponds. Other animals that have also found their home here include: the **spotted deer, Himalayan bears, black bucks, African hippos, zebras, camels, ostriches, baboons, blue wildebeests, lions, and Indian white tigers**. Your full day pass into the park includes **Safari Journey, Fresh water Aquarium, Animal Show, Elephant Show, Access to Waterpark and Fun Zone, and Bali Agung Show (based on schedule)**. Lunch served at **Uma Restaurant in the Park. Upgrade lunch to Tsavo Lion available at additional cost US\$ 15 pp**

- **Bali Hai Dolphin Cruise Journey**

Dolphins wait for no man which means an early start is needed for anyone wanting to see Dolphins in Bali. Upon arrival in the Dolphin watching area, our guides will take you to the best places possible to see these wonderful marine creatures.
